

**NEW BACKGROUND CLEARANCE LAW FOR SPORTS TEAM EMPLOYEES & VOLUNTEERS**  
**SUMMARY OF PA ACT 15 of 2015 (Amending ACT 153 of 2014)**  
**23 Pa.C.S. § 6344 and 6344.2 et. seq.**

Act 15 of 2015 is a new Pennsylvania law that became effective on July 1, 2015 and amends Act 153 of 2014. The new law requires comprehensive criminal and child abuse background checks for employees and volunteers who have “direct contact with children”. Of special important is Section 6344.2 of the Act which amends the Child Protective Services Law to expand the definition of persons who must submit to a detailed state background check to include any adult applying for an unpaid position responsible for the welfare of a child or having direct contact or routine interaction with children. This is a summary of the requirements of Act 15 and what our employees, volunteers and administrators must do to meet them.

**Who does the Act Apply to?**

- **Employees** - Section 6344 applies to any individual 14 years and older who “is applying for or holding a paid position as an employee with a *program, activity or service*” or is a “person responsible for a child’s welfare or having direct contact with children”. This includes “independent contractors”, such as referees and in-game officials (“Employees”). Act 15 has also amended Section 6344 to apply to “*minors*”, which are defined as “any individual between 14 and 17 years of age who applies for or holds a paid position as an Employee”.
- **Volunteers** - Section 6344.2 applies to any “adult applying for or holding an unpaid position as a volunteer “with a school or *program, activity or service* or a person responsible for a child’s welfare or having *direct volunteer contact* with children”. This includes all coaches, managers, locker room monitors and volunteers who work with children on our sports teams (“Volunteers”). Act 15 has added definitions of “*Program, activity or service*” which includes “any sports or athletic program” and “*Direct volunteer contact*” which means “the care, supervision, guidance or control of children and *routine interaction* with children” and “*Routine interaction*” which means “Regular, repeated and continual contact that is integral to a person’s employment or volunteer responsibilities.” The Act also applies to “Non-resident volunteers” who are out-of-state persons who can serve for up to 30 days per calendar before providing certifications.
- **Administrators** - The Act also applies to **persons who make decisions** about who will serve as an Employee or Volunteer, including, “employers, administrators, supervisors or other persons responsible for selection of volunteers” who are required to ensure that an applicant submits to all requirements set forth below under Section 6344(b) below (“Administrators”).

**What do our Employees, Volunteers & Administrators have to do to comply with the Law?** Act 15 changed the word “clearance” to “certification” and requires all Employees & Volunteers to obtain 3 state clearances consisting of: a Child Abuse certification; Criminal History Record certification and Federal Criminal History certification. Administrators are required to check that their employees & volunteers have complied with obtaining the certifications before allowing them to have contact with children.

**How does a Volunteer or Employee obtain the Clearances?** A Volunteer or Employee must submit an application for certification under Section 6344(b) either on-line or by written document to the following government agencies: the Pa Dept. of Human Services, the Pennsylvania State Police, and the Federal Bureau of Investigation as follows:

- **Child Abuse Certification (Pa. Dept of Human Services):**  
Requests for certification statements may be made online at <https://www.compass.state.pa.us/CWIS> at a cost of \$10. Paper submissions of the clearance statement request form ([CY113 Form](#)) may be accessed via the [Department of Human Services \(DHS\) website](#) and mailed to the ChildLine and Abuse Registry, Pennsylvania Department of Human Services, P.O. Box 8170, Harrisburg, PA 17105-8170. Download and print the form: [English version](#)/[Spanish version](#). [Act 15 had made this certification free of charge after August 1, 2015]
- **Criminal History Record Certification (Pennsylvania State Police Reports):**  
Pennsylvania state reports cost approximately \$10.00 [Free after August 1, 2015] and may be [secured online using the state police website](#), or by [accessing Form SP4-164](#) on the state police website and mailing the request form to Pennsylvania State Police Central Repository-164, 1800 Elmerton Avenue, Harrisburg, PA 17110-9758. State Police or its authorized agent for submission to the FBI to verify the identity of the applicant. **Exemption from FBI Certification Requirements (for Volunteers & minor Employees):** Section 6344.2 (B.1) of Act 15 permits a Volunteer to be exempted from the federal background check if prior to taking the position, the Volunteer certifies in a notarized

affidavit that his position is unpaid and that he has been a resident of Pennsylvania “during the entirety of the previous 10-year period” – or “produces a certification at any time since establishing residency in PA” and “swears or affirms in writing” that he is not disqualified due to any child abuse offense or been convicted of any crime in another state or foreign nation, similar to the convictions disqualifying a person in Pennsylvania. A paid minor can have his parent or natural guardian sign a similar affidavit to be exempted from the FBI certificate. Employees are **not** exempt for the FBI certification. (See; Form Affidavit attached)

**When must an Employee or Volunteer Obtain the Certifications?** Act 15 has extended the time for obtaining certifications and for renewing them. The rules are a little complicated and the Act should be consulted, but the following general rules apply:

- **Volunteers** – A current Volunteer who was approved for service before August 25, 2015 but who doesn’t have certifications because they were not previously required, has until **July 1, 2016** to obtain the certifications. A NEW volunteer (not approved for service before August 25, 2015) must obtain the certifications before beginning service as of **August 25, 2015**.
- **Employees** – A current Employee must obtain certifications by **December 31, 2015** if: (1) he was not previously required to obtain certifications or if (2) his current certifications are more than 5 years old; or (3) if current his certifications did not include Child Abuse & FBI certifications. A new Employee must obtain all certifications prior to employment.
- **Recertification** – All Employees and Volunteers must be recertified every 5 years.

**What results disqualify an Employee or Volunteer?** An Employee or Volunteer will be disqualified from serving if:

1. The applicant is “named in the statewide database maintained by the Department of Human Services as the perpetrator of a founded child abuse report committed within the five-year period immediately preceding verification”.
